

KARTHIK PATIL

B.E. Computer Science and Engineering (Data Science)
Ballari, Karnataka, India — +91-9353881230 — karthikpatil446@gmail.com
linkedin.com/in/karthik-patil-a0a6b0389 — github.com/karthikpatil446-wq

Professional Summary

Computer Science and Engineering (Data Science) undergraduate with hands-on experience in Python, C, SQL, Data Structures and Algorithms, data analysis, data cleaning, exploratory data analysis (EDA), and web application development. Experienced in building and deploying practical applications using Firebase, JavaScript, Git, and GitHub. Developed projects involving road safety analytics, expense management, healthcare management, and academic data tracking. Interested in Data Science, Data Analytics, Artificial Intelligence, and software development roles.

Education

Ballari Institute of Technology and Management (BITM), Ballari	2026 – Present
B.E. in Computer Science and Engineering (Data Science)	CGPA: 9.03
Relevant Coursework: Data Structures and Algorithms, Probability and Statistics, Operating Systems, Computer Organization, Graph Theory	
Pre-University Course (PUC)	82.33%
Secondary School Leaving Certificate (SSLC)	65.44%

Technical Skills

Programming: Python, C
Data Science and Analytics: NumPy, Pandas, Matplotlib, Seaborn, Data Cleaning, Exploratory Data Analysis (EDA), Data Visualization
Database: SQL
Core Computer Science: Data Structures and Algorithms, Probability and Statistics
Web Development: HTML, CSS, JavaScript
Tools and Platforms: Git, GitHub, VS Code, Firebase, Firebase Hosting

Projects

Road Safety Data Intelligence System <i>GitHub: github.com/karthikpatil446-wq</i>	<i>JavaScript, Firebase, Data Visualization</i>
- Developed a road-safety data intelligence platform for analyzing accident information across Karnataka districts. - Built interactive dashboards for analyzing accidents by district, vehicle type, and accident cause. - Implemented public and administrative workflows for accident-data management and monitoring. - Integrated photo and GPS-based accident information to support data-driven road safety analysis.	
Expense Management System <i>GitHub: github.com/karthikpatil446-wq</i>	<i>HTML, JavaScript, Firebase</i>
- Developed a web-based expense management application for tracking income and expenses. - Implemented Firebase authentication, expense records, and dashboard functionality for financial data management. - Designed a dashboard to organize financial information and provide a clear overview of spending activity.	
Hospital Management System <i>GitHub: github.com/karthikpatil446-wq</i>	<i>JavaScript, Firebase, Web Development</i>
- Developed a hospital management platform with separate administrative, doctor, and patient workflows. - Implemented appointment management and patient-facing functionality for healthcare information management. - Integrated an AI-assisted symptom-checking concept to improve patient interaction with the application.	
Academic Tracker <i>GitHub: github.com/karthikpatil446-wq</i>	<i>HTML, JavaScript, Firebase</i>
- Developed an academic tracking system for managing student attendance and academic performance data. - Designed separate student and faculty workflows for academic information management. - Planned attendance and marks management with alerts for low academic performance.	

Achievements

- Scored **93.2/100** in HACKARENA C4 2026 conducted by BITM CSE (Data Science).
- Developed and deployed multiple functional web applications using Firebase and Firebase Hosting.

Certifications

- **Data Analytics Job Simulation** – Deloitte, Certificate of Completion, February 4, 2026.
- **Navigate Your Next** – Infosys, Course Completion Certificate.
- **Generative AI in E-Commerce and Digital Marketing — Gen AI** – Udemy, Certificate of Completion.
- Instructor: Henry Habib, The Intelligent Worker.

Additional Information

Career Interests: Data Science, Data Analytics, Artificial Intelligence, Machine Learning, Software Development

Current Focus: Data Structures and Algorithms, SQL, Python, Data Analysis, EDA, Git/GitHub, and project development.
